GOVERNANCE AND ORGANISATION

Société Générale implements the recommendations given in the AFEP-MEDEF report of September 2002 on the corporate governance of listed companies. [x](#)

AT THE HEART OF OUR BUSINESS

The challenge is to concretely integrate the notion of CSR into the strategies of its different businesses in order to create value... [x](#)

HUMAN RESPONSABILITY

CSR within the Group is clear through dynamic management of its staff, and outside of the Group, through its determination to control and minimize the direct impact of its activities on the environment. [x](#)

VERBATIMS

“I BELIEVE EACH ONE OF US HAS AN OBLIGATION TO CONTRIBUTE TO REDUCING THE PRODUCTION OF THE GREENHOUSE GASES THAT ARE ACCELERATING CLIMATE CHANGE.”

Michael COLLINS
Responsable Responsabilité Sociale et Environnementale
ROYAUME-UNI
