To Whom It May Concern,

Please accept this letter as our organizations request for a grace period for our 2nd COP report. This is due to changes in our reporting of "Annual Report" in English and our organization is in the period of CDP reporting in June. As the COP is substantially relevant with these reports, a grace period is required to prepare our new COP.

We appreciate the consideration given to our request as we greatly value our continued support of the Global Compact.

Kind regards,

TÜRKİYE SİNAİ KALKINMA BANKASI A.Ş.
