Grace Letter / COP 2012

Dear Sir/Madam,

With this letter we hereby request a grace period of 90 days for our COP/ 2012 which is under preparation. It is our wish to integrate the results of recent developing work by a newly established CSR network under the Association of Danish Architectural Firms (DanskeArk) that in the future can support architectural practices in monitoring CSR. schmidt hammer lassen architects has contributed in this development process alongside several Danish architectural practices.

schmidt hammer lassen architects has supported the Global Compact initiative since 2008 – and we recognise that a key requirement for participating in the UN Global Compact is the annual preparation and submission of a COP, this year we submit our third COP.

We request for our deadline to be extended to September 9, 2012 and hope that you will accommodate this request and thank you in advance.

Yours sincerely

Trine Steffenauer

On behalf of schmidt hammer lassen architects Ltd.
