To whom it may concern:

We recognize that a key requirement for participation in the Global Compact is the annual submission of a Communication on Progress (COP) that comprises of a statement of continued support for the Global Compact, a description of practical actions that our company has taken since our last COP, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to a reorganization of sustainable development missions. Alturia has joint ALMA Consulting Group since 2008 and we are integrating new values and practices coming from Alma Consulting Group in order to update our CSR approach.

We hereby ask for an extension period in order to be able to submit a COP that describes our company's efforts and progress to implement the ten principles of the Global Compact. Our new COP report will be posted on the Global Compact website by February 17th 2010 at the latest.

Sincerely yours,

Mr. Henry ROBET
Chief Executive Officer
Alturia Consulting
