COP – Grace period 90 Days

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a communication on progress (COP) that comprises of a statement of continued support for the the UN Global Compact, a description of practical actions with regard to the principals of the UN Global Compact, and a measurement of out comes or expected outcomes.

As we are late in creating, sharing and posting our COP report due to some organizational and personal changes in our department.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by September 6 Th, 2012, at the latest.

Sincerely yours,

M. Necip EZBER
