We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

A measurement of outcomes is incorporated in the Sustainability Report 2012, which is due in August 2012. In this report, the score card that review the achievements in 2011 and outlooks 2012 is included.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by *end of September max. 90 days from today* at the latest.

Sincerely yours,

Ms. Noriko, Ikari
