Subject: Grace letter

Dear, Madame, Sir:

Medical and Diagnostic Center Metchnikoff apologize formally for exceeding the time limit to communicate on progress.

Please accept this letter as our formal request for 90-day grace period for the Communication on Progress (COP) submission which was originally due on June 17, 2012.

The reason for the extension is an internal reorganization before amalgamation of several companies to the Consortium.

At the present time we are also carrying on negotiations with foreign partners in order to create a scientific and educational platform in China. Among the founders are Far Eastern Federal University, a number of research institutes and Medical and Diagnostic Center Metchnikoff.

Sincerely yours,

Valeriy Bagryantsev

PhD, MD

General Director
