STOP HUNGER A new record for the 2011 Servathon

As part of its STOP Hunger initiative to fight against hunger and malnutrition, Sodexo organizes each year in April the Sodexo Servathon. This global program provides a direct and meaningful way for our employees but also clients, consumers and suppliers to give back to the communities where they live and work.

2011 Servathon Edition:

39,000 Sodexo's employees from **30** host countries.
200,000 meals donated to hunger organizations.
