Quality of Daily Life Solutions

#14 - April 2012

PARTNERING WITH WWF AND MSC

In 2010 and 2011, Sodexo signed two GLOBAL PARTNERSHIP AGREEMENTS with WWF and MSC. Thanks to our collaboration, Sodexo has achieved notable rankings in the Carbon and Forest Footprint Disclosure Projects as well as from signatories of the UN Principles for Responsible Investment.

Protect the Environment

Energy management at IMPACT - Thailand

Since 2008, Sodexo provides Facilities Management services to the IMPACT Arena, one of Asia's largest Exhibition Centre. With annual savings of 2.5 million KWh, IMPACT is the first Thai firm and second in the world to receive the ISO 50001:2011 certification for efficient energy management.
