Dear Mr. Secretary-General:

I am pleased to notify the United Nations that over the past year MJ Celco, Inc. has fully supported the ten principles of the Global Compact with respect to human rights, labor, environment, and anti-corruption. We have put forth a great deal of effort not only within our own company, but have also expressed our intent to advance these principles with our many contacts, including customers, vendors, and community businesses. MJ Celco, Inc. will continue to adhere to OSHA regulations and national labor standards, in addition to making a clear statement of this commitment to our stakeholders on an annual basis and to the general public.

This letter will serve as our annual submission of a Communication on Progress (COP) for the next twelve months. As we stated in our letter of July 5, 2011, we will continue to report on the progress of MJ Celco in accordance with the Global Compact COP policy.

Sincerely,

A handwritten signature in black ink that reads 'Michael Cielak'.
