The UN Global Compact Principles

The UN Global Compact principles in the areas of human rights, labour, the environment and anti-corruption enjoy universal consensus and area derived from:

- The Universal Declaration of Human Rights
- The International Labour Organization's Declaration on Fundamental Principles and Rights at Work
- The Rio Declaration on Environment and Development
- The United Nations Convention Against Corruption

Then UN Global Compact asks companies to embrace, support and enact, within their sphere of influence, a set of core values in the areas of human rights, labour standards, the environment and anti-corruption:

Human Rights

Principle 1: Businesses should support and respect the protection of internationally proclaimed human rights; and

Principle 2: make sure that they are not complicit in human rights abuses.

Labour

Principle 3: Businesses should uphold the freedom of association and the effective recognition of the right to collective bargaining;

Principle 4: the elimination of all forms of forced and compulsory labour;

Principle 5: the effective abolition of child labour; and

Principle 6: the elimination of discrimination in respect of employment and occupation.

Environment

Principle 7: Businesses should support a precautionary approach to environmental challenges;

Principle 8: undertake initiatives to promote greater environmental responsibility; and

Principle 9: encourage the development and diffusion of environmentally friendly technologies.

Anti-Corruption

Principle 10: Businesses should work against corruption in all its forms, including extortion and bribery.

Company Profile

We are the first to research into and launch Table Talkers/Table Top Advertisement as an Alternative Communications Medium. We bagged the “**Best in Region**” title, up against competitive Asia Pacific Region contestants, at 2008’s **PIXI (Printing Innovation with Xerox Imaging) Awards**.

The spot is on Top Advertising Pte Ltd, established 2002, with the vision to be the **leading Design and Print Innovator in Asia**.

We are an assembly of Creative Professionals in the Design and Print industry, commissioned to provide top-of-the-range products, advanced and innovative services. We have made a quantum leap since incorporation, from a finishing service unto a **Modern Design and Print Solution Provider**. We serve the complete suite, from Conceptualization to Design, Printing/Production and Delivery of any Communications Medium, Traditional or Up-To-Date.

We do all you name, Posters, Banners, Business Cards, Letterheads, Assorted Corporate Premiums, Table Talkers, Packaging Boxes, Lanyards, Name Tags, Badges, Print Media such as Newsletters, Magazines, Books, Brochures, Flyers and Postcards.

We have also spun off Advanced Media Services, of which include Web Media/Social Media and E-Commerce Conceptualization, Design and Implementation.

We engage Creative Communication Specialists in our lineup, to evaluate and advise on the appropriate media mix for execution of Integrated Marketing Communications Roadmaps. Top Advertising is not all business. **CSR (Corporate Social Responsibility)** runs in our blood, even before CSR became a hit phrase. It is always our priority to serve.

We are proud to announce our arrival, in both form and function.

Statement of Continued Support

Top Advertising has been a participant since 2008 and in 2012 we will continue our support for the UN Global Compact initiative.

By signing the UN Global Compact, Top Advertising acknowledge the importance of supporting the ten principles for sustainable business development with respect to human rights, labour, environment and anti-corruption.

The Global Compact Principle has always been incorporated within our company's strategy, culture and day-to-day operations, and we engage in collaborative projects which advance the broader development of the United Nations.

Top Advertising remains committed in its support for United Nations Global Compact 10 Principles, which are associated on our company policies for a responsible business practice. We will continuously improve on implementing these principles especially in the areas of Environment and Human Rights.

Implementation of Global Compact Principles

Human Rights

Principle 1: Business should support and respect the protection of internationally proclaimed human rights

Implementation:

Human right remains to be the important aspect to Top Advertising. Value for human rights is an integrated element of project planning and finishing, from planning to conclusion of a project. We don't undertake any activity that could lead to the suppression of the human rights of our employees. All human resource policies are formulated in accordance with these principles and also considering that Top Advertising is a signatory of the United Nations Global Compact.

Top Advertising's recruitment and career development policies provide equal opportunities for all citizens in the country regardless of their race, language, religion, caste or gender.

We always ensure that everyone, without any discrimination, has the right to equal pay for equal work. The remuneration policy is equal for all equal positions and equal load of work.

Principle 2: Business should make that they are not complicit in human rights abuses

Implementation:

Alongside with the rights of employees to work in equal, Top Advertising also respects the right of employees to rest and leisure. Leaves are given for entitled employees and other benefits are also provided.

➤ Benefits for the employees

Company program for employee's benefits are as follows:

- Annual 12 days leave and additional of 1 leave every year with a maximum of 21 days leave per annum
- 1 day leave during birthday.
- 16 weeks maternity leave
- Year-end bonus to all employees.
- Company outing, movie watching and dining out together with the company expenses.
- Every employee is applied for a health insurance.

Recently, Top Advertising received its certification for the bizSAFE Level 3 from Workplace Safety and Health (WSH) Council, a council here in Singapore that works closely with the Ministry of Manpower and other Government agencies, the industry, unions and professional associations to develop strategies to raise WSH standards in Singapore.

Labour

Principle 3: Business should uphold the freedom of association and the effective recognition of the right to collective bargaining

Employees are given opportunity to join an employee organization, labor association and political parties. It is their freedom to express their opinions.

Principle 4: Business should uphold the elimination of all forms of forced and compulsory labour

Implementation:

Recruitments are always based on identification of the suitable competent individuals who meet the required job profile laid down. Employment is on the free will of each individual, with no pressure by the Management.

Top Advertising is committed not to employ forced labor. An employee is not allowed to work for more than 12 hours within a day except in the following circumstances:

- Urgent work to be done to machinery or plant
- Interruption of work which was impossible to foresee

Overtime regulation is only applied to agreeing employee. Payment for overtime is following the regulation of the government.

Principle 5: Business should uphold the effective abolition of child labour

Implementation:

Top Advertising has a zero tolerance of child labour. We strictly follow the Employment Act of Singapore where it is stated that, no child below the age of 13 years shall be employed in an industrial or non-industrial undertaking except in the following circumstances:

- A child may be employed in an industrial undertaking in which only members of the same family are employed.
- A child who is 12 years of age or above may be employed in light work suited to his capacity in a non-industrial undertaking.

We believed that all children under the age of 18 should have the opportunity to pursue their education and do not employ anyone under that age.

Principle 6: Business should uphold the elimination of discrimination in respect of employment and occupation

Implementation:

Top Advertising promotes the “equal opportunity” approach which is applied without any reserve through every part of project planning and operations which intended to build a highly motivated employee base.

We do not accept any type of discrimination based on race or ethnic, religion, gender, cultural background, age, marital status or political views.

Environment

Principle 7: Business should support a precautionary approach to environmental challenges

Implementation:

We always ensure that waste paper within the organization is re-used wherever possible. Each individual are educated on the importance of contributing towards environmental protection and re-cycling of paper and other materials that can re-used.

In respect for the value of the earth and its resources provides, Top Advertising continuous to work ambitiously through continuous improvement, for little environmental impacts. We design our products, develop and use advance machines and technology to produce a minimum adverse effect on the environment, making more efficient utilization of energy and resources.

Our health and environment policy applies to all our activities:

- From procurement of raw materials
- Development of projects and processes
- Shipment and storage
- Handling of products
- Waste disposal and recycling of products

Principle 8: Business should undertake initiatives to promote greater environmental responsibility

Implementation:

With our ambition to demonstrate respect and a great sense of responsibility to the environment, the products we are using are FSC (Forest Stewardship Council) Certified. FSC certified forest products are verified from the forest of origin through the supply chain. The FSC label ensures that the forest products are from responsibly harvested and verified sources. The FSC 10 principles and criteria describe how forests can be managed to meet the social, economic, ecological, cultural and spiritual needs of present and future generation. With the FCS certification natural resources are managed responsibly, forest and plantations benefit people – both people dependent on forest and the global community at large. Through the use of these FSC certified products we promote greater environmental responsibility.

Principle 9: Business should encourage the development and diffusion of environmentally friendly technologies

Implementation:

With the vision to be the leading Design and Print Innovator in Asia we used advance machines and technology from designing to completion of our projects. We make sure that our machines meet the standard environment friendly technology, old ones has been reengineered to fulfill the standard requirement.

Top Advertising implements a waste disposal system to ensure that it is sorted to enable recycling of paper and other organic wastes. In this concern, employees are required to segregate waste material such as paper and other organic materials before throwing on the garbage disposal bins.

Anti - Corruption

Principle 10: Business should work against corruption in all its forms, including extortion and bribery

Implementation:

Top Advertising strictly ensures that the Code of Ethics which binds all employees is observed and practiced. Confidentiality, integrity and transparency are highly emphasized principle. We are honest and fair in all our business, bribery or any other forms of corruption are not allowed to engage.
