GRACE LETTER

Dear members of the United Nations Global Compact Office,

we are currently finalizing our 2011/2012 UNGC CoP and are really looking back on a year of great efforts and great success, not only in economic terms, but also in terms of sustainability.

Due to necessary alignments of reporting procedures and some additional data requirements from our business units we have to request an extension of the CoP deadline by 45 days to deliver the high quality CoP we would like to.

Looking forward to your positive response.

Kind regards,

Daniel Braunsdorf
