**UN Global Compact: Statement of Continued Support from the CEO,
Lars Renström**

Alfa Laval's Business Principles were first published in 2003 based on the UN Global Compact and the OECD Guidelines for Multinational Enterprises. To promote transparency, we have published annually: a progress report annually since 2004, a sustainability report since 2007 and a data rich report based on the Global Reporting Initiative since 2007.

In 2012 I am pleased to submit our 2011 documents as Alfa Laval's first Communication on Progress having joined the Global Compact in 2011.

Alfa Laval is committed to continuing to make the UN Global Compact and its Principles an integral part of business strategy, day-to-day operations, and organizational culture.

Lars Renström
