Grace letter

Dear Mr. Secretary-General,

We, SIECOP, will close down our current facility, located in Mudersbach to the end of August 2012 and start from October, 01st 2012 onwards at our new build plant at the port of Duisburg.

You may understand that our relocation project is keeping us really busy and we sadly can't finish our COP on time.

For this reason we kindly ask you to accept our proposal for the 90 days extension of our COP deadline.

Sincerely yours,

SIEGEN COIL PROCESSING GMBH
