Subject: COP 2012 – Request an extension for the delivery

Dear Sir\ Madam,

It's with no doubt that the subjected report comes to our utmost attention, and we do believe in its significant value.

Yet, due to the short notice for submission (been alerted only on "the 9th of August 2012") which left us with only "1 week" to respond. Moreover, considering the fact that next week will be the EID vacation here in Syria, accordingly, the period between Friday 17th and Saturday 25th is an Off-Working-days;

I'd like to kindly request hereby an extension for the limited space of time given to fulfill and so to delay the deadline set as 23rd of August into the 9th of September.

That way, we'd able to give this mission its needed efforts toward our ideal accomplishment.

Highly appreciating your kind understanding,

Best Regards

MTN Syria Corporate Affairs
