Dear Mr. Secretary-General,

We have completed our draft of the 2012 Communication of Progress, but due to travel and work commitments and summer vacation schedules, we have not been unable to receive final review approval and sign off from all members of the executive management team. We hereby submit this Grace Letter Request to allow time for final approval to be received. I anticipate the delay to take no longer than two weeks at which time I will submit the 2012 Communication of Progress.

Please contact me via email at lharriman@westernzagros.com if approval is granted to accept the grace period. Our apologies for this delay and we will submit it as quickly as possible.

Thank you and kind regards,

Lisa Harriman
