UN Global Compact COP Deadline – Extension Request

Dear Ms. Blanco,

We are requesting an extension for our COP submission. Our 2011 Sustainability Report is published online (<http://csr.goldcorp.com/2011/>) and includes a page dedicated to the UN Global Compact with links to the activities in support of the Ten Principles of the United Nations Global Compact in the areas of Human Rights, Labour, Environment and Anti-Corruption.

The report's accompanying CEO statement summarizes the company's activities during 2011 but does not include a specific mention of the UN Global Compact. We will be issuing this statement and will submit it to you within the next month.

Very truly yours,

GOLDCORP INC.
