Dear Mr. Secretary-General,

I am pleased to confirm that Europcar Groupe supports since 2005 the ten principles of the Global Compact in respect to human rights, labour standards, the protection of the environment and anti-corruption. We hereby express our intent to support and advance these principles within our sphere of influence.

We hence commit to pursue our efforts to making the Global Compact and its principles embedded into day-to-day operations of our company and undertake to make a clear statement of this commitment – both to our employees, partners, clients and to the public.

We support public accountability and transparency and will report on progress made in a public manner.

You will find in the attached document, the statement of our Group values and principles and our activity report. Please find also attached the contact person responsible for relations with the office of the Global Compact.
