THINKING AHEAD –
MOVING FORWARD

Bremen, September 27, 2012

Board of Management

Dear Ladies and Gentlemen,

Since the beginning of February 2012, Hellmann Worldwide Logistics is a member of the UN Global Compact. In joining the UNGC, we have committed ourselves to demonstrate our progress on implementing the ten principles by publishing an annual progress report (COP). This report will also be included in our annual Sustainability Report.

As our Sustainability Report and annual financial report are published at the end of the second quarter each year, Hellmann Worldwide Logistics would like to synchronize all reporting and publishing dates by the 30th of June.

Hellmann Worldwide Logistics therefore kindly requests the adjustment of the current yearly deadline for publishing its annual progress report (COP) and move it from 6th of February to 30th of June.

Sincerely,

Hellmann Worldwide Logistics
