To whom it may concern:

Dear Sir/Madam,

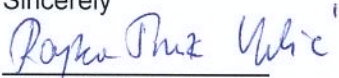

On behalf of Banca Intesa Beograd, I would like to kindly address to you with the request to postpone the production of Banca Intesa Communication on Progress Report until October 25th 2012.

Namely, due to internal procedure and staff limitations we will not be able to produce in predict timeline.

We are looking forward to your prompt replay with hopefully favourable outcome.

Should you need additional information, I kindly remain on your disposal.

Sincerely
