Dear Mr. Secretary-General,

Huntsman is proud to include information regarding our first-year integration of the UN Global Compact ten principles in our 2011 Sustainability Report. Our 2011 Sustainability Report is freely available online to our stakeholders. A summary of our initial gap assessment is available in our 2011 Sustainability Report and on the Sustainability page of our website. We welcome comments from the UN Global Compact.

We are incorporating the ten principles of the UN Global Compact as needed into our corporate policies and standards, as these principles complement our own business values and goals. We are proud to reaffirm our continuing support for the ten principles of the Global Compact with respect to human rights, labor, environment and anti-corruption. With this communication, we express our continued commitment to advance those principles within our sphere of influence.

Sincerely yours,

Mr. Peter R. Huntsman
President and CEO
