Dear Mr. George Keller

We permit ourselves to forward this inquiry to UN Global Compact for a change of the date of presentation of our annual Communication on Progress (COP).

CPH City & Port Development is bound by the statutory requirement for social responsibility reporting, and, under the Danish Annual Report Act, we are required to account for our efforts in the area of social responsibility in connection with our Annual Report. Under the Act, we are entitled to use the annual COP in the statement of our Annual Report.

Currently, we report to UN Global Compact every year on 22 October, and our accounting period is 1 January to 31 December. We would like to adjust the COP period in accordance with our accounting period. We therefore permit ourselves to apply to UN Global Compact for permission to move our reporting date from 22 October to 31 December with effect for 2012.

Thank you in advance for your understanding.

Yours sincerely

Jens Kramer Mikkelsen
Managing director
