Dear Sir,

I hereby kindly request, on behalf of Unity Resources Group ("Unity"), a grace period of ninety (90) days to allow us to fully compile our COP response, making our final deadline 11<sup>th</sup> January, 2013.

Unity is requesting the extension of a grace period due to recent changes in our compliance team personnel. If granted the grace period would sufficiently afford us the best opportunity to respond to the flagged self-assessment item; measurement of outcomes.

Unity takes the submission of its COP very seriously and would therefore like to use this grace period to ensure that our compliance team is able to respond in writing, fulfilling all of your advised markers.

Yours Sincerely,

A handwritten signature in dark ink, appearing to read "Gordon Conroy". The signature is fluid and cursive, with a long, sweeping underline.
