Subject: Grace Period

Dear Sirs,

We, TigerPROFILES & INSULATION LLC are in the final stages of completing and submitting our first annual COP. Thorough research has shown us that additional details need to be included in our COP. This requirement, which we would like to abide by, in order to ensure full fulfillment of our COP requirements, will require us to make additional efforts.

Kindly provide us with a 90 day grace period to allow us to fine tune and submit a quality COP that will meet the Communication on Progress (COP) requirements.

Sincerely yours,

**Rosy Salameh**  
Assistant CEO
