Dear Sirs,

We kindly ask to postpone the COP deadline for OTS Automazione Srl (actually fixed in 18/10/2012) cause, due to business commitments already taken and not extendible, we're not able to produce our COP in a proper way within the here above terms.

So we'd like to have the chance to get a new deadline 90 days later.

Confident of your understanding, we thank you in advance for support.

Kind regards  
OTS Automazione Srl
