Tornado Relief Fund - THE RESULTS ARE IN!

Congratulations Hebron Campus!

The results of our "Call-to-Action Tornado Relief Fund Drive" are in and we can proudly report that we collectively raised close to \$5,000 (\$4,857 to be exact) to help fund the American Red Cross' Tornado Relief Fund.

Our goal was to raise at least \$4,500 to benefit the fund -- \$3,000 from our workforce with a \$1,500 matching contribution from the Company -- over a two-week period.

We did it! Isn't it rewarding to know that when we work together toward a common goal, anything is possible? This is just another example of the important work that we are doing in our local communities to demonstrate that POMEROY CARES.

As the direct result of the generosity of everyone who contributed to this great cause, those affected by the tornadoes that ripped through our region on March 2nd are receiving the essential support and assistance they need most in the aftermath of a devastating natural disaster. Thank you!

MDA Muscle Walk Takes Place March 24

The Pomeroy Cares committee is pleased to announce our next charity to volunteer is the MDA Muscle Walk. The MDA Muscle Walk is a series of local walk events across the country held to pay tribute to and raise funds for children and adults served by the Muscular Dystrophy Association.

The event is March 24th at 10 AM at the University Of Cincinnati Recreation Center. There are many different volunteer jobs associated with the Muscle Walk. Prior to the day of the event, volunteers are needed to help assemble team packets, provide computer registration support, and support the MDA staff in many different office tasks. The day of the event, volunteers provide muscle for event set-up, clean up, registration, recognition, food stations and everything that goes into a successful walk.

Please come out and join your Pomeroy co-workers for this wonderful event.
