To United Nations Global Compact

**Subject: Grace letter Bruschi Spa**

Dear Madame, Dear Sir,

with reference to the Global Compact Annual Review we apologize to kindly request a Grace Period of 90 days to submit the Communication on Progress. We are really sorry to postpone this important deadline ended last October 26<sup>th</sup> but our management has been very busy in the last few months to work for an important project for our business and just from November 1<sup>st</sup> we can work to prepare the Global Compact COP report with the target to finalize it within 90 days from October 26<sup>th</sup>

We apologize for this delay and we appreciate if you can accept our request.

For any additional information please do not hesitate to contact me

Thank you

Best regards

Simone Maggiori
