UN Global Compact Communication on Progress

Grace Letter

Dear Sir/ Madam,

Dr.Reddy's Laboratories is due to communicate on progress on 1st November 2012. Unfortunately due to changes in reporting cycles, our Sustainability Report where we communicate on progress of implementation our commitment to the UN Global compact, is due to be published in March 2013.

We kindly ask for permission to postpone our Global communication on Progress for 2012 until then

We appreciate the consideration given to our request, and we greatly value our continued support to the UN Global Compact

Yours faithfully
