Actions	Actions taken
	<p>We are ISO 14001-2004 certified company from August, 2001. We are doing all precautionary actions to environmental challenges. 'Moody International (Pvt) Limited, Lahore, Pakistan' is conducting surveillance audits on six monthly basis and check all these precautionary measures regarding environmental challenges.</p> <p>(a) Pollution controlled as per environmental protection instruction by Environmental Protection Agency, Govt of Khyber Pakhtunkhwa. (Then NWFP)</p> <p>(b) All other environmental protection measures are taken as per Ministry of Environment, Govt instructions vide Registration No. M-302/L-7646, dated 27-06-2007.</p> <p>We are promotees & practitioners of environmental precautions. We utilize all resources to the maximum and ensure best wastage. We are pioneers to utilize waste of all forms and transform it to useful items. Our efforts to make useful items from waste have been emulated by many other firms.</p> <p>We have been granted green status by Moody International</p>
	Measurement of (expected) outcomes and value added for our company
Outcome	<p>Due to controlling of smoke, noise and dust a healthy atmosphere has been created. Acid water is neutralised into Alkaline water, resultantly, Alkaline water is drained out which is not harmful to the environment. These mentioned facts have helped us improve our production capability and ensured a safe and healthy workplace. Our efforts have earned us good reputation and the Govt seeks our advice in related matters.</p>

PRINCIPLE 8	BUSINESS SHOULD UNDERTAKE INITIATIVES TO PROMOTE GREATER ENVIRONMENTAL RESPONSIBILITY
Actions	Actions taken
	<p>We are ISO 14001-2004 certified company - accreditation and have acquired a Green Company status. For this, much effort has been made through in house R&D as well as Expansive Acquisitions.</p>
Outcome	Measurement of (expected) outcomes and value added for our company
	<p>We hope that our efforts and investments will be recognized and that we are provided with the much deserved carbon credits.</p>

PRINCIPLE 9	BUSINESS SHOULD ENCOURAGE THE DEVELOPMENT AND DIFFUSION OF ENVIRONMENTALLY FRIENDLY TECHNOLOGIES
Actions	Actions taken
	<p>Our company has taken ground breaking initiatives in "Development and Diffusion of Environmentally Friendly Technologies" particularly keeping in view the LOCAL CIRCUMSTANCES. Also we have done much to control, manage and recycle waste.</p> <p>New developments have been made in very Low Cost alternatives to provide a tangible measure of relief to very low income families.</p> <p>SOLAR BASED FACILITIES HAVE BEEN INSTALLED IN OUR WORKS.</p>
Outcome	Measurement of (expected)outcomes and value added for our company
	<p>We expect the government of Pakistan and the UNDP will recognize our efforts and encourage purchase of techniques by providing these to other companies on free or subsidized bases. We have presented our proposals to the local government.</p> <p>We are still waiting patronage for its propagation.</p>

PRINCIPLE 10	BUSINESS SHOULD WORK AGAINST CORRUPTION IN ALL ITS FORMS, INCLUDING EXTORTION AND BRIBERY
Actions	Actions taken
	The nature of our business ensures that these principles have to be adhered to otherwise we can not acquire future registrations and partnership with national as well as international corporations.
Outcome	Measurement of (expected)outcomes and value added for our company
	No adverse remarks to these accounts have helped us achieve the category 'A' registration for vendors of Defence Organizations.

How do you intend to make this COP available to your stakeholders?

Keeping in consideration the parameters of information sharing by the Defence Organizations we present our achievements through Communication on Progress (COP) to our various stakeholders.

We communicate it to the new partners concerned with our business ethics along with details of physical products manufactured and serviced by us.
