## REQUESTING A GRACE PERIOD FOR THE COP

The Company hereby request additional time to submit Lonmin's Communication on Progress report. Although Lonmin believe in timely reporting the Company believe in producing a report that accurately reflects progress and that requires time. This year has been a difficult year for the Company and the recent events requires the Company to reflect and address the complex situation with care. Therefore we request the grace period of 90 days.

Regards

Dr Mel Mentz
