To our stakeholders:

Deloitte Touche Tohmatsu Limited (DTTL) recognizes that a key requirement for participation in the United Nations (UN) Global Compact is the annual preparation and publication of a Communication on Progress (COP) that comprises of a statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes.

DTTL is currently working to complete its global report, which will serve as our Communication on Progress. The launch date for this report is currently scheduled for mid- December, 2012.

We hereby ask for the granting of the 90-day grace period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact
