

Life Without Limitations®

Reykjavík, Iceland 3 December 2012

Össur hf. declared its support of the UN Global Compact in December 2011 and therefore this is the first year of reporting. Össur hereby asks for a permission to postpone the submission of the progress report until 28 February 2013 instead of 30 December 2012. The reason is that it works better with the Company's processes to publish the progress report at the same time as the Company's Annual Report, which is published every year towards the end of February.

Sincerely yours,

Sigurborg Arnarsdóttir
IR Manager of Össur hf.
