**Subject: Communication on Progress – Adjustment Request**

Semco Maritime would like to officially file an adjustment request for an extension on our Global Compact Communication on Progress. This request is due to changes in Semco Maritimes general reporting cycles.

We would like the COP report deadline to be moved until the 10 April.

We appreciate the consideration given to our request as we greatly value our continued support of the Global Compact.

Yours faithfully  
Semco Maritime

Lissi Franzen  
CR Coordinator
