Dear Madam, Dear Sir,

As a new member of the UN Global Compact, the Keyrus group is due to communicate on progress. Keyrus is listed company on the Paris stock exchange and as our financial data regarding 2012 is not yet finalized and approved by our chartered accountants, we would be most grateful if you could give us a possible delay until the end of January 2013 to send you our COP report.

Looking forward to your reply and remaining at your disposal should you have any question.

Yours faithfully,
