

10th December 2012

Dear Global Compact team,

Communication on Progress

ARM is pleased to submit its Communication on Progress for the past year and to renew its commitment to the UN Global Compact as a member of LEAD. It has been a privilege to be a member of the LEAD pilot and we look forward to working with the Global Compact team as the LEAD programme evolves over the next year.

Yours faithfully,

A handwritten signature in blue ink that reads "Warren East".

Warren East

Chief Executive Officer
