Submitting a Grace Letter

I hereby submit a request letter for a grace period of 45 days for the submission of Ecobank COP. This is to synchronize our COP data to reflect a whole calendar year, January – December and also to enable us align the COP information with the contents of the Annual Report. Hence, the ETI COP will be submitted by 30 January, 2013.

Yours faithfully,

Musa Salah
Group Manager, Environmental and Sustainability
Group Risk Management
Ecobank Transnational Incorporated
