Sub: Extension of COP Deadline

Ref: Your email with subject: "Urgent: Abdul Monem Ltd. at risk of expulsion from UN Global Compact."

Dear Ms. Leimer Tejada:

I am writing to you in response to your email message of December 20, 2012 with the subject in my reference and earnestly requesting you for a deadline extension. Although we are asking for this grace time of less than three months, we fully recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to the fact that our company has been going through an expansion process. During 2009-2012 we have established quite a few sister concerns. Since we will have to have a public disclosure to stakeholders as suggested in our annual COP, we have been refining our code of conduct following the ten principles of the UN Global Compact and UN development goals. We are also aware of the fact that a COP will offer our company a unique opportunity to showcase our efforts and progress. We really encouraged taking advantage of this valuable tool and wishing to remain as an active UN Global Compact participant.

Under such circumstances, we hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by February 20, 2013 at the latest.

Sincerely yours,

ASM Mainuddin Monem
Deputy Managing Director
