Dear Mr. Secretary – General

I'm pleased to confirm that DCS CO supports the ten principles of the Global Compact with respect to human rights, labor, environment and anti – corruption.

With this communication , we express our intent to advance those principles within our sphere of influence .

We are committed to making the Global compact and its principles part of strategy , culture and day – to – day operations of our company , and to engaging in collaborative projects which advance the broader development goals of the United Nation , particularly the Millennium Development Goals.

DCS CO .Will make a clear statement of this commitment to our stakeholder and the general public .

We organize that a key requirement for participation in the Global compact is the annual submission of a communication on progress (Cop) that describes our company's efforts to implement the ten principles . we support public accountability and transparency , and therefore commit to report on progress within one year of joining the Global Compact, and annually thereafter according to the Global Compact COP POLICY

Sincerely Yours,
