Statement of continued support - United Nations Global Compact

Dear Mr. Secretary-General,

Hotel Maritime is pleased to express its continuing support of the Global Compact's ten principles with respect to human rights, labour, environment and anti-corruption.

We have gained a lot of inspiration from the initiative. Most of the core principles have now been merged with our own policies and procedures in our continuing effort to operate a responsible and sustainable hotel business.

We are delighted and proud to submit the attached communication on progress as of December 2012 and to renew our commitment to the United Nations Global Compact Foundation.

Yours sincerely,
Hotel Maritime

General Manager and CEO
