Dear Sir/Madam

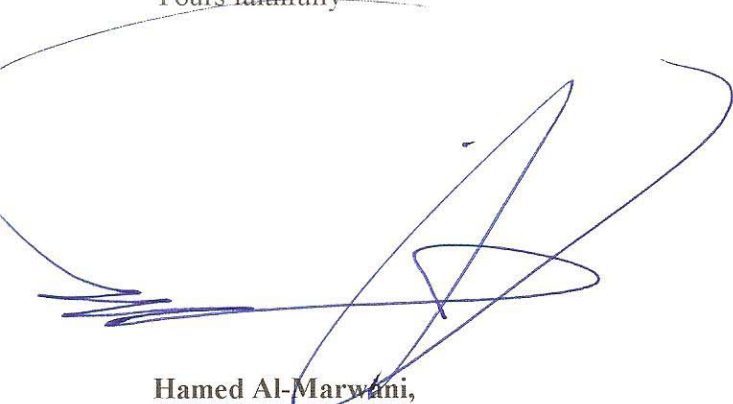

UN Global Compact Communication on Progress: Grace Letter

Qatar Fertiliser Company is a signatory to United Nations Global Compact. We fulfill our commitment to the annual Communication on Progress through our sustainability report submitted to the UN Global Compact website. We also distribute the printed copies of the Sustainability report.

This year we will be updating the report with the progress on the key initiatives like "Sahara Forest Project" that was inaugurated very recently. Apart from that we are also working on means to showcase QAFCO's sustainability efforts through the online media.

As our Communication on Progress was due in January 2013, we are submitting this letter in order to request a 'grace period' extension while we complete the detailed update of our report.

Yours faithfully

Hamed Al-Marwani,
Chief Administration Officer
Qatar Fertiliser Company
