Subject: Renewal of our commitment to the principles of the Global Compact.

Dear Mr. Secretary- General,

I am pleased to confirm that, following our first commitment in January, 3rd, 2011, the Hotel Villa Massalia renews, as it did last year its support to the ten principles of the Global Compact with respect to human rights, labour, environment and anti-corruption.

With his communication, we express our intent to advance those principles within our sphere of influence. We are committed to making the Global Compact and its principles part of our strategy, culture and day-to-day operations of our company, and to engaging in collaborative projects which advance the broader development goals of the United Nations, particularly the Millennium Development Goals, the Hotel Villa Massalia will make a clear statement of this commitment to our stakeholders and the general public.

We recognize that a key requirement for participants in the Global Compact is the annual submission of a Communication on Progress (COP) that describes our company's effort to implement the ten principles. We support public accountability and transparency, and therefore commit to report on progress within one year joining the Global Compact, and annually thereafter according to the Global Compact COP policy.

Sincerely Yours,

VILLA MASSALIA Concorde Marseille
