

To UN Global Compact

Ballerup, 4 September 2012

### **Adjustment Request**

Topdanmark joined the UN Global Compact in October 2010 and we issued our first COP in October 2011. The due date of our next COP is October 2012, but for the following reasons we apply for an extension of the due date to 24 January 2013:

Postponing the COP to Jan 2013 would make it possible for us to prepare a more comprehensive and detailed report compared to a report issued in October 2012 as it would contain qualified data and result for the entire year of 2012.

The COP would also include information about a forthcoming CSR strategy covering 2013-2015. The strategy will not be completed until December 2012.

According to Danish law all major companies are required to issue an annual CSR report unless the company has signed up to and reports to UN Global Compact. By postponing our COP to January 2013 it will be possible for us to simplify our CSR & Global Compact reporting to only one annual publication, not only in 2013 but also in the forthcoming years.
