

Anti Corruption***Assessment, Policy and Goals***

BRISAD INTERNATIONAL NIGERIA LIMITED actively supports the UN Convention against Corruption and will not participate in any corruption, bribery or extortion. The Policy of Business Ethics as well as the Entertainment and Sponsor Policies are tools in place to further advance transparency and the zero tolerance on bribery, extortion and corruption. BRISAD INTERNATIONAL NIGERIA LIMITED actively cooperates with Customs Agencies in countries of operation and implements a Customs Policy that guides the interaction between BRISAD INTERNATIONAL NIGERIA LIMITED, Customs and the Clients in order to fight crime and corrupt behaviour. The objective for 2013 will be to train staff and to revise and streamline the different policies to make them more coherent.

Implementation

Every employee has during 2012 been prompted to read the policies in place concerning Anti Corruption and have had to sign on having done so. The Human Resources department is presently following up the response rate after a second reminder.

Measurement of Outcomes

BRISAD INTERNATIONAL NIGERIA LIMITED uses the Internal Auditors and Controllers to identify any spurious payments that could be related to bribery or corrupt behaviour. BRISAD INTERNATIONAL NIGERIA LIMITED has not been involved in any legal cases, rulings or other events related to corruption and bribery.
