GRACE LETTER REQUESTING EXTENSION OF COP DUE DATE BY 90 DAYS

TO WHOM IT MAY CONCERN:

Hereby, we are officially requesting the extension of the COP due date by ninety (90) days. We sincerely apologize for the delay in the submission process. As it is obvious from our contact details and the change in contact persons we changed offices recently and had several positions changed within the team. This unfortunately caused the unintentional delay in the submission process. Thank you for your understanding. We assure you that we will submit all relevant details until April 23, 2013.

Sincerely,

Michael Sahm
