Ref: Grace Letter for prolonged period

Dear Mr. Kell,

On behalf of Mr. Krassimir Trifonov, Arexim Engineering Ltd - CEO,
I would kindly ask you to give us an extension of 45 days to submit our Communication
on Progress.

Our company makes sincere efforts on further support the Global Compact initiative.
Due to need a lot of conversations with people concerned with aspects and issues
related to corporate social responsibility and organizational changes in the company our
team missed the deadline to finalize our annual GC report.
We ask to excuse and give us deferred within realistic deadline.
We are in the process of preparing the current Communication on Progress covering
both 2011 and 2012 and we do hope to be able to finish it in 45 days.

In order to rebuild our active status in the Initiative I'm staying at your disposal for further
instructions.
Thank you for the understanding and collaboration.

Faithfully Yours,
Irena Emilova
