Re: Request for obtaining a grace period of 90 days from the COP deadline.

Dear Sirs,

We are writing to you with the request to obtain a grace period of 90 days for submitting our Communication on Progress Report for 2012.

First of all we would like to reassure you on our continuous commitment to the principles of the United Nations Global Compact and our adherence to them in our business.

TNT Bulgaria is an integral part of TNT Express and complies with all internal policies and procedures. As such we coordinate all our communications with our corporate head-office and can not publish externally annual reports before our corporate annual report is issued.

We truly believe the reason above is acceptable for you and you will grant us the grace period.

Thank you in advance for your support!

Kind regards,

Ivan Vassilev  
Country General Manager
