Dear Mr. Secretary - General,

EVN Bulgaria EAD is a member of the United Nations Global Compact since 2010 and ever since we have been developing different business practices and have been implementing various activities in the field of Corporate Social Responsibility.

With this letter we would like to ask for a prolongation of 45 days of the term for preparation of the 2012 Annual Report for Communication of Progress to our local network. This additional time is necessary to summarize all the information regarding our practices in the four basic categories of values: human rights, labor, environment and anti-corruption.

As we fully support the public accountability and transparency and we fully value our membership to the United Nations Global Compact, branch Bulgaria, we will make all necessary efforts to publish the 2012 Annual Report of Communication of Progress within the prolonged term

Sincerely Yours,

Kalina Trifonova
Member of Board
