Professor Dame Nancy Rothwell

Our work to return AstraZeneca to growth and restore scientific leadership is underpinned by our continued commitment to driving

Professor Dame Nancy Rothwell
Non-Executive Director with responsibility
for overseeing Responsible Business

business success responsibly.

2012: Our year in brief

Continued roll-out of our Access to Healthcare strategy to reach more patients through a range of different approaches. ▶ [Read more](#)

Disappointing ranking in latest Access to Medicines Index is informing a review of low performance areas. ▶ [Read more](#)

10 confirmed breaches of external sales and marketing codes, down from 17 in 2011, reflecting enhanced management oversight and compliance monitoring. ▶ [Read more](#)

Over 2,000 trials registered and results of more than 1,300 posted on public websites in line with our commitment to clinical trials transparency. ▶ [Read more](#)

We have reached over 250,000 young people in need through our Young Health Programme and are on track to meet our Clinton Global Initiative commitment to reach 500,000 by the end of 2015. ▶ [Read more](#)

Over 5,600 supplier risk assessments completed since the start of our assessment programme in 2009. ▶ [Read more](#)

AstraZeneca was once again listed in the Dow Jones Sustainability Index. We increased scores in some areas and lost ground in others. ▶ [Read more](#)

In the global effort to meet the growing demand for healthcare, our innovation plays a vital role
