CSR PROGRAM ACTIVITIES

Since the launch of NetDimensions’ CSR program, we have conducted the following activities:

Year 2012

Tung Wah Charity – In response to the ferry collision accident near Lamma Island, our Hong Kong Team launched an internal donation drive and raised donations for the Tung Wah Group of Hospitals to help the victims and their families.

The American Red Cross – Our US Team participated in a cash donation and blood drive to support the American Red Cross in the recovery efforts after Hurricane Sandy.

Foundation for Global Compact – In the spirit of the Christmas holiday season, we made a contribution to the Foundation for Global Compact to support the United Nations Global Compact’s principles for human rights, labour, environment and anti-corruption.

Year 2013

To kick off the New Year, our Hong Kong Team participated in The Community Chest’s Walk for Millions on Sunday, January 6, 2013 to support “Family and Child Welfare Services”. There were 29 participants who completed the 10km walk, who also took part in the donation drive to help The Community Chest to raise funds for its member social welfare agencies in heling the hundreds of thousands of needy and disadvantaged people in our community. NetDimensions generously matched the contribution that was raised by staff members.
