Annual Communication on Progress

Dear Sir/Madame,

I am pleased to confirm that Rautaruukki Oyj continues to support the ten principles of the Global Compact in respect to human rights, labour, the protection of the environment and anti-corruption. With this communication on progress, we express our continuous support and aim to advance those principles within our sphere of influence. The principles are part of the company strategy, culture and day-to-day operations.

Please find below a link to our company corporate responsibility report 2012 giving the full description of practical actions the company has taken to implement the Global Compact principles in each of the four issues areas.
